

Think of a book you read 3 years ago

Think of top 10 things you liked about that book

Difficult right ?

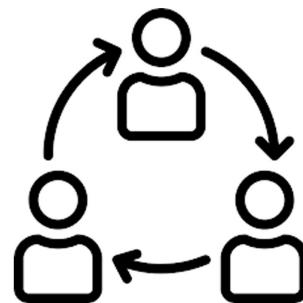

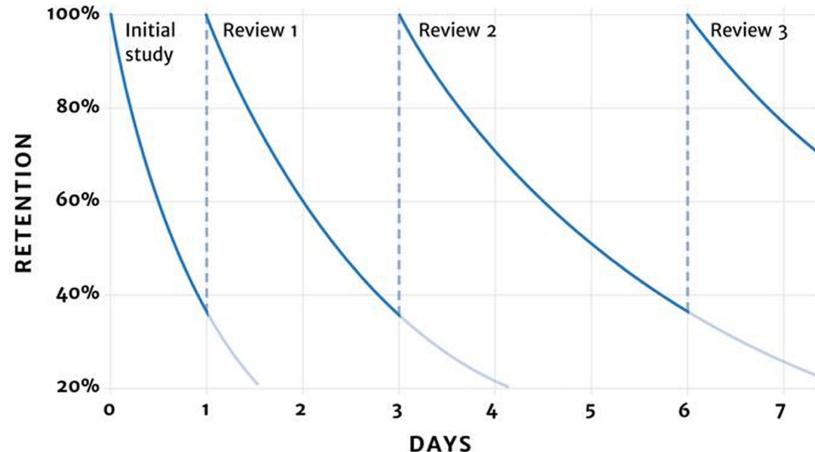

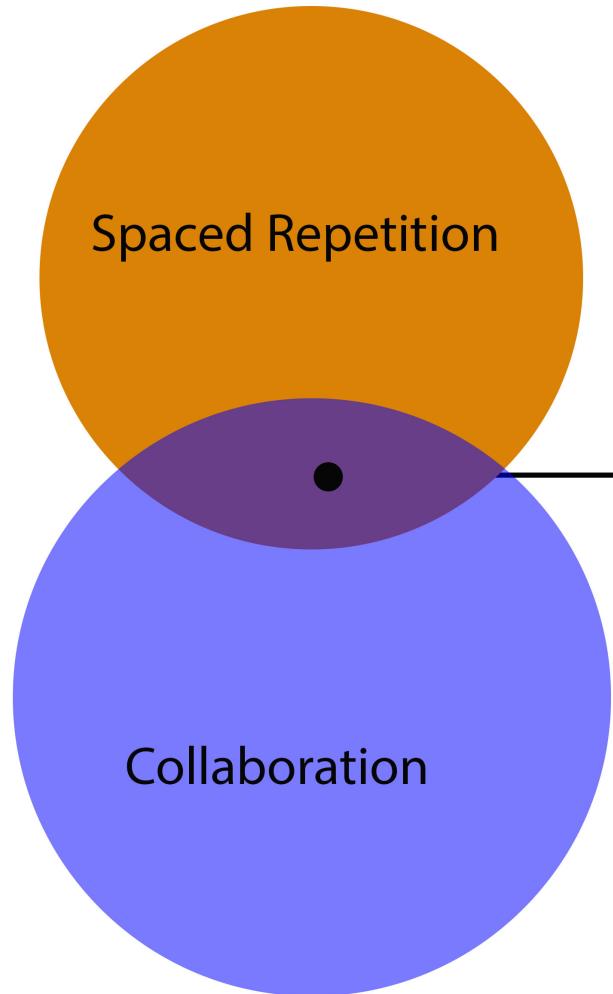

Reten^x

But what is **Reten^X**

A **collaborative** learning platform to help readers in long term **retention** of their learnings.

Selection of candidate highlights based on importance-based highlight scores

What frequency ?

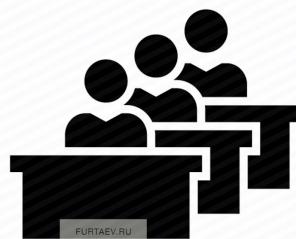

Which highlight ?

- Scoring of Highlights
- Scoring of Readers
- Generation of Meta Summary
- Language Agnostic
